MEMORANDUM FOR: Chief, Support Services Staff

25X1A

Hal:

It seems that there may have been some momentum generated. Within reason, I would favor more get-togethers (long or short -- How about a regular monthly meeting for an hour in GA-13?) so long as they are useful and well attended.

I know [REDACTED] et al are looking at the problem of specialists, but wonder whether we shouldn't consider an Agency-wide RMO Career Service. It could provide a career structure and what goes with it but might also give status to all the RMO's and, as a consequence, recognition of the place of records management in the overall Agency scheme. I'd like to see thoughtful pros and cons.
